The Magical Coach & Horses...

Once upon a time, in a cosy little village, there stood a special place called The Coach & Horses.

By day, it looked like an ordinary old pub... but when children picked up their colouring pencils, something magical happened! The walls could turn bright blue, the door could glow red, and the roof might even sparkle purple. Sometimes the sky above was rainbow-striped, and sometimes the horses outside had golden manes and glittery tails! But here's the secret... The magic only works when you colour it in.

Every time a child adds their own colours, The Coach & Horses becomes brand new again: different, exciting, and full of imagination. So grab your crayons, pencils, or pens and bring this picture to life! When you've finished your masterpiece, show it to a member of our team. We love to see the magic you create!
